**“One Voice for Thoroughbred Owners & Breeders in British Columbia”**

### **Hastings 2016 Wintering Money Incentive Program**

The industry Associations, in recognition of the economic realities of wintering and training lower level claiming horses, have again implemented a plan to provide an incentive of \$2,000 for horses that make their last start of 2015 at Hastings for a claiming price of \$6,250 or less and come back to Hastings and make their first start in 2016 for a claiming price of \$6,250 or less, and do not race elsewhere in between.

The \$2,000 bonus will be paid to the owner’s account following an eligible horse’s first start at Hastings in 2016.

Horses that start elsewhere after making their final 2015 start at Hastings are not eligible for this incentive program. The Associations’ intention is to reward those horses committed to racing at Hastings; therefore, the incentive is available only for horses that made their last appearance at Hastings in 2015 for \$6,250 or less and make their first start for 2016 at Hastings for \$6,250 or less.

Two year-olds of 2015 are not eligible for this program.
