Wintering Money for Lower Level Claiming Horses at Hastings

The industry Associations, in recognition of the economic realities of wintering and training lower level claiming horses, have implemented a plan to provide an incentive of \$2,000 for horses that made their last start of 2014 at Hastings and come back to Hastings and make their first start in 2015 for a claiming price of \$5,000 or less.

The \$2,000 bonus will be paid to the owner’s account immediately following an eligible horse’s first start at Hastings in 2015.

Horses that start elsewhere after making their final 2014 start at Hastings are not eligible for this incentive program. The Associations’ intention is to reward those horses committed to racing at Hastings; therefore, the incentive is available only for horses that made their last appearance at Hastings in 2014 and make their first start for 2015 at Hastings for \$5,000 or less.
